

Conference Planning: Call for Abstracts - for Presentations & Posters

2010 Public Health Conference for Utah:
"People, Places, Practices, Partnerships: Meeting Challenges of The New Decade."

Online CALL FOR ABSTRACTS Data Entry System

The conference planning committee is seeking innovative proposals for topics relating to the emerging issues and challenges of protecting the public's health in the new decade. Suggested topics include, but are not limited to: integration of programs such as tobacco, diabetes, etc, without devaluing each program and maintaining the integrity of each, etc.... Please prepare your material on your presentation or poster in advance so you can enter your information directly. You can copy-and-paste from a digital copy of your write up into the fields in this system.

Below are copies of the system screens you will see. The first screen is an information and instructions page, which has a link to the following five pages into which you will enter data.
