MEMBERSHIP INFORMATION

ABOUT UPHA

OUR HISTORY

Since our inception in May 1916 the Utah Public Health Association (UPHA) has been dedicated to improving the health of all Utahns. For over 90 years, the Association has sought to speak with one voice to promote and protect the public's health, to extend and develop health services, and to provide for scientific advancement. UPHA is the largest organization of public health professionals in the State. UPHA is an affiliate of the American Public Health Association.

OUR PURPOSE

The Utah Public Health Association is dedicated to promoting quality public health policy and providing public health advocacy and education for its members and the people of Utah.

OUR GOALS

To promote healthy lifestyles and protect our health and environment in Utah, UPHA has set high goals and will strive to achieve these five areas of focus:

1. A healthy environment.
2. Pro-active public health policy.
3. Services which address personal health needs.
4. A community well informed about issues of public health.
5. Committed, educated and effective public health professionals.

BENEFITS OF MEMBERSHIP

WHAT CAN UPHA DO FOR YOU?

As a Public Health Professional ... UPHA affords you the opportunity to join with others to shape the future of public health in Utah. Our members encompass many disciplines in the public health field. Through affiliation, our members are provided with a foundation of scientific knowledge, experience, partnership, advocacy, leadership, and vision necessary to make sound decisions regarding the public's health.

As a Decision Maker ... UPHA provides for you expert professional insight, advise, counsel, and education.

As a Citizen ... UPHA studies the development of federal, state and local health legislation, informs you of important developments, and involves you in the process.

MEMBERSHIP OPPORTUNITIES

UPHA is comprised of a Board of Directors and three management units that work together to support our members. Meaningful involvement in the activities of UPHA are encouraged and made possible through the structure of committees. Members drive the association by participating on standing committees or elected boards and offices. No matter what your interest, one of these committees will provide you the opportunity to serve:

- **Professional**
- **Editorial/Newsletter**
- **Program Committee**
- **Awards**
- **Legislative**
- **Membership**
- **Finance**
- **Nominations**
- **Auditing**
- **Community Outreach**
- **By-laws**
