

2017 Community Health Workers Section Awards

Please help us honor Community Health Workers in Utah
by nominating them for one of these awards.

- **Organizational Commitment** – Organizations committed to the Promotion of Community Health – Please nominate a group or organization who has done exemplary work to promote community well-being and/or support of community health workers
- **Rookie of the Year** – Please nominate a CHW/Promotora who is new (less than two years in the field) and has made great strides in the promotion of community health and well-being
- **Excellence in Community Health** – This is the CHW of the year award. Please nominate a CHW/Promotora who goes above and beyond their call of duty to ensure the improved health of their community
- **Lifetime Achievement** – Please nominate a CHW/Promotora who has spent more than 15 years to improve the healthy lives of their community.
