

UPHA Public Health Project Application

The Utah Public Health Association is excited to announce its first ever round of public health mini grants in the 2017-2018 year. The application period will be open from June 1, 2017 to July 5, 2017. Three grants will be awarded. The award amounts will be up to \$1,000 each. Awardees will be selected by the UPHA Board at the end of July 2017 and notified by the end of August 2017. The recipients of the mini grants will have 6 months to complete their project and will be required to do a presentation or a poster of their project at the 2018 Utah Public Health Conference. All proposals must be emailed to Fiscal Management Unit Chair, Kelly Nielson at knielson@slco.org
